

Do It Scared

Leaders who act with remarkable courage, no **MATTER** the circumstances.

Overview

What might be possible if you chose to believe in yourself—even when you were afraid?

In this powerful talk, Lisa shares how you can build the confidence to go after what you want in life.

Using her simple framework for building unshakable self-belief, she inspires audiences to tackle their fears head-on and go after their big, audacious goals.

Audiences will learn how to:

- How they can choose to be the person they want to be, every day
- How to boost their confidence, feel better about themselves at work, and stop doubting their abilities
- How to go after what they want, even when they're terrified

Queen Vibes Only

What Happens When We Stop Waiting for *Permission*

Overview

What if you stopped lowering your standards? What if you stood firm on your boundaries? And what if you didn't wait for people to like you or for permission?

Your life would change for the better; you'd start believing in yourself—and that would be some Queen Stuff.

In this interactive and empowering talk, Lisa shares what it takes to set clear boundaries, raise your standards, and trust yourself.

Her six-part system will help you step into your Queen status, so you can turn the dream life you've always wanted into a reality.

Audiences will learn how to:

- How to stop lowering their standards and start believing in themselves
- How to trust their own instincts, instead of waiting for permission
- Practical strategies to live their best life

**Queens are not gender-identity specific. All are welcome.*

Her Wealth, Her Power

Women Rewriting The Rules

Overview

How are women entrepreneurs changing the game by rewriting the rules of business and redefining success?
